

Local Resources, Global Success

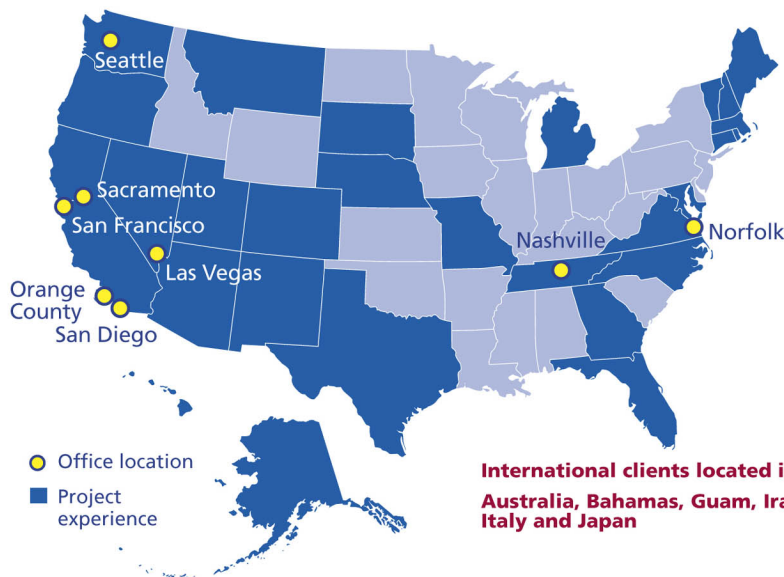

Dear Sandy,

Katz & Associates is a small company working with international clients and global issues. We offer the same personal relationships and successful outcomes to every customer.

With seven offices located across the U.S., Katz & Associates has supported hundreds of projects coast to coast and around the world.

In the last few years, our team members have worked with the Department of Defense on outreach projects in Guam, Japan, Italy, the Bahamas and Iraq. We currently work with a range of clients across the nation:

Katz & Associates is a public affairs, community relations, public participation and issues management firm. Check our Web site at www.katzandassociates.com, to learn more about our core areas of expertise.

Please call me at **858/452-0031** or e-mail skatz@katzandassociates.com.

- Public Affairs
- Community Outreach
- Issues Management

Sometimes clients initially approach us to help them meet Disadvantaged Business Enterprise (DBE) requirements, but they come back repeatedly, because they get the very best product and service - the Woman Owned Business Enterprise and Small Business Enterprise certifications are the icing on the cake.
